

## Terms and conditions for new trainees

### When requesting and receiving Improved or advanced driving tuition please note the following:

1. You are deemed to be in control of your vehicle at all times and responsible for your own actions while driving.
2. If your trainer gives you an instruction, which you feel is unsafe for you to carry out, you must ignore it and do what you believe to be safe.
3. You must hold a full UK driver licence and a valid vehicle insurance certificate for the vehicle you will be using. Your vehicle must have the appropriate Vehicle Excise Duty (vehicle tax) and, if applicable, have a valid MOT certificate.  
Your trainer will need to check these documents prior to any on-road training.
4. At the time of application you should have provided us with licence history check code, which can be generated at the website below or by telephoning the DVLA on 0300 083 0013.  
This is a unique code, which is valid for 21 days and will give us access to your driving record.
